110. GAA star Draw
111. Open up scor to allow audience in
112. Bring together & linked to the parish with regards
113. Get people together socially

Survey Contributions

	Q11a - Culture, Heritage, Health & Wellbeing - Please provide any comments or recommendations on how we could better promote our culture & heritage
1	N/a
2	Think we do an excellent job of this through scor
3	Have more culture events, trad music evening, maybe with scor team. Irish language classes - anything that promotes both local and Irish culture.
4	Na
5	Not sure
6	Going into all schools in area To know more about scor as mainly seems to be just those in Derrymore school
7	Irish language, music and dance lessons in the clubhouse
8	More use of the irish language
9	Guest speaker events
10	Run taster sessions in Irish, music and exercise
11	Irish language
12	Showcase events with small sessions and then perhaps a main event
13	Traditional sessions once amonth
14	Scor, irish language, St Patrick's day
15	Be more inclusive to non players
16	Let's not just look at Gaelic sport, what about Irish language classes, traditional music classes/events
17	Ask people to submit their ideas and thoughts online
18	Scór has been successful but to some it appears to sit as a separate entity. Need to be more joined up. Club could do more to promote traditional music and Irish language. Possibly organise Irish language courses.
19	Irish language classes
20	Inclusion of Irish traditions, music/local ceoltas, Gaelic language classes associated with the club
21	Unsure
22	A cultural sub committee to organise talks, irish classes etc
23	<p>Advertise and hold a club scornanog for the children each year. Make people in the community more aware of the experience and how good it is for childrens confidence and esteem.</p> <p>Go for weekly or monthly walks ie. Black mountain. Crumlin glen. Tollymore forest. Will help the children socialise not only during football.</p> <p>Give parents times to talk and get involved.</p>
24	<p>Well publicised well being officer</p> <p>Advice from club physio</p>
25	Irish language and music classes, monthly cultural gatherings.
26	Irish classes
27	Image archive on website of photos from over the years. Have a throwback Thursday etc every week that a lot of people will be waiting on. This might also gain interest of members to send photos in that we might not have already
28	N/A
29	A winning mentality but it's okay to fail if it's done as a team and Maximum effort has been put in and make it a dual club promoting hurling Gaelic handball all things

	associated with the Irish culture. Coaching is about holding life skills for kids and teaching them.
30	Irish Language Classes
31	Music classes / Irish language classes
32	Run Irish language classes; organise beginners classes for playing musical instruments/learning to dance for scor etc;
33	Irish language lessons.An exhibition of old photos of GAA in Aghagallon (could be used for decorating clubroom) Doing podcasts with older club members on their memories of GAA in Aghagallon. A specific webpage / Facebook page for old match/ team photos.
34	we are excellent at scor, but could do better at language promotion and do very little on wellbeing. Maybe piggyback/publicize initiatives by others (liofa & gaeltacht scholarships for our students). & celebrate our success (& maybe a pic of members attending gaeltacht)
35	More engagement with local schools might help this

	Q11b - Culture, Heritage, Health & Wellbeing - Please provide any comments or recommendations on how we could better promote Health & Wellbeing
22	Fruit/water after tournaments
23	Hold day/nights where someone can educate the members on health and wellbeing. Leaflets given out at training sessions
24	Get guest speakers to talks about stress, eating healthy, well-being. Even the basics for underage players to recognise injuries, concussion etc.
25	Na
26	More emphasis put on recovery and have physio at more sessions
27	Checking in with all team mates not just the popular ones
28	I'd like more info on gym accessibility for members
29	Team workshops, classes, fun days for players, parents, family groups.
30	Maybe some sort of topical events
31	Have individual clubs days based around culture, heritage, health and well-being using the resources available through the club and club membership
32	Record cultural sessions for YouTube channel
33	Activities for parents - walking activities during training- use of gym available for parents. More information and maybe some presentations for young people on how important their health and fitness is.
34	Let me think about that one
35	Fun runs operation transformation
36	Something for others who do not play games
37	More social events not based solely around football.
38	Online tutorials
39	Club could do more to promote awareness around wellbeing. Gambling, drugs, suicide etc
40	Bring in individuals with experience for talks/workshops on themes like gambling, mental health/building resilience, and importance of good nutrition
41	Structured times for access to the club gym and additional equipment
42	Better gym facilities for the community club members and coaches. Fitness events hosted at the club for everyone
43	Potentially hold classes in community hall on first aid and related areas

Workshop Notes from 2 April 2022 and added Survey comments from 22 April 2022

44	Courses How many coaches know cpr
45	Unsure
46	A health and well being committee to organise talks. Something like a couch to 5k or operation transformation which could also be a fundraiser
47	Resource page on website
48	Community exercise classes / open pitch for walking round / community step challenge to raise money / 5k fundraiser
49	Defib training need to be completed and maybe a cpr course for members especially with the gym being used so often now
50	N/A
51	More specific training events
52	Some clubs organise specific times for people to meet to walk around pitch Possibly a morning session one that could be accessible for parents with young children like a buggy fit could be source of fundraising if club rooms opened for cup Tea and people paid small fee. People may be more likely to go if social aspect to it instead of walking alone around pitch. Or something organised for during underage training when parents having to wait about on children for hour anyway
53	Provide info to members link with local groups to promote messages run workshops courses info evenings or use 5/10 mins end of training sessions to promote key messages
54	More promotion of talking about mental health especially for men. Start a "men's shed" where men can meet up without alcohol to talk/ share ideas. Start encouraging teams to attend Ceili clubs.
55	we do very little here - maybe signposting links and bringing it to coaches meetings to normalise mental health discussion, same as physical health -if you don't proactively look after it, then it will deteriorate
56	Events eg .. day trip to Mourne, day trip to Croke park.
57	As above. Walking / running groups etc. Maybe offering Gaelic for mums or Dads and Lads? Social football might get some uptake.
